

Abdelrahman Abdelhalim

PROFESSIONAL EXPERIENCE

Junior Web Developer

01/2024 - Present

Home

Home (Remote)

I have skills in web development, including creating responsive websites using HTML and CSS. I am experienced in designing and building landing pages with a clean and user-friendly interface. I focus on writing structured code and improving the visual appearance and usability of web pages. I am continuously working on improving my front-end development skills through practice and real projects.

EDUCATION

High School Diploma - Scientific science

05/2026 - 05/2026

Ahmed Khalid Elhagar high school

50

[🔗 https://letsve.github.io/Portfolio_website/](https://letsve.github.io/Portfolio_website/)

I designed and developed a personal portfolio website using HTML and CSS to showcase my projects, skills, and experience in web development. The website features a clean, modern, and responsive design to ensure a smooth user experience across different devices. It highlights my landing pages, web projects, and design work, reflecting my growth as a front-end developer.
